Why visit Melbourne?

Melbourne Top 5s

We look forward to welcoming you to Melbourne in December. We'll keep you updated on the great things to do and see as well as some helpful hints on getting around.

Here are the first top 5....

1. The Goldilocks effect - not too hot, not too cold, just right! The average temperature in Melbourne in December is a pleasant 24C (75F).

Don't forget to *Slip! Slop! Slap! Seek! Slide!* during your visit. The average UV Index during December is UVI 10 -11 so very high and extreme.

2. Melbourne was voted as the world's most liveable city. Why not visit and see if [EIU](#) got it right.

3. Melbourne has the largest urban tramway network in the world with free trams operating in the CBD.

4. Like coffee? So does Melbourne. Melbourne has been voted as having the [world's best coffee](#). Check out some of [Lonely Planet's recommendations](#) or just wander around some of Melbourne's laneways to find your favourite.
